As you are aware, the College of Alberta Denturists is the regulatory body for the profession of denturists in the province of Alberta, and we are governed by Alberta's *Health Professions Act*. The Denturists Profession Regulation was proclaimed under this Act on September 1, 2002.

Section 101 of the *Health Professions Act* states as follows:

- (a) *a regulated member to obtain a licenses from the municipality or Metis settlement to practice a regulated profession, or*

As such, Regulated Members of the College of Alberta Denturists are exempt from paying for a business license in any municipality in Alberta; this is equivalent to the exemption granted to other professions under the *Health Professions Act*.
